President's Message

Brad Woodward

“IT'S TOO FAR AWAY . . .”

This is what I have been hearing regarding our next TCA Southern Division Train Show, *"It is Too Far Away"*

MIAMI: Have you ever enjoyed a Railroad Museum? The Gold Coast Railroad Museum, located right here in Miami, Florida isn't too far from home. It's an easy drive to South Miami on the Florida Turnpike. Next to the Gold Coast Railroad Museum is the Metro Zoo, and Miami Marlins baseball, Bayside and South Beach are within a short drive. At the Gold Coast Railroad Museum you can see, walk through and touch real vintage passenger cars. How many of you have seen "The Magellan", a vintage armored passenger car built for Franklin Roosevelt. This was the U.S. President's Private Passenger car (before Air Force One). In addition to real vintage trains you can also visit four different train layouts, including "O" and "G" scales along with several layouts for the kids to play with. There's also a real train you and your family can ride, where you can choose the passenger car, caboose or even in the diesel cab. Do not forget that this is also a Southern Division Meet and there's lots of tables of toy trains for sale. Best of all, RAILROAD DAYS at the Museum offers **FREE ADMISSION!**

JACKSONVILLE: I am sure you have driven through the area but have you **STOPPED** to enjoy the city?, Attractions such as Jacksonville Zoo, Kingsly Plantation, River Walk, and Friendship Fountain make Jacksonville a great destination, and St. Augustine is just a short distance away. The Jacksonville Train Show is growing. We now send out train show notices to train enthusiasts in Florida, Georgia, Alabama, and the Carolinas. This could become "The Train Show of the South."

The Southern Division is hosting two train shows in May, *"That is historic!"* Treat yourself and family, kids, grandkid and friends to a special month and do something memorable that you will not forget!

Southern Division Kid's Club

Harry Long and Jeff Sawyer have started up the Southern Division Kids Club and are acting as Chairman and Vice Chairman respectively. Here are some of the activities:

Stuart Train Show - Harry had a Scavenger hunt for the kids. The kids received a list of ten items to look for on tables, i.e. find a blue box car. The table holder signed off on the list that they found that item. Prizes were given for kids that found all ten items, which got families looking at trains. The Kids Club form was on the scavenger hunt sheet so we could sign up more members. We had a train layout at Stuart (thanks Bill Porter) for kids to run. Hands on experience = kids wanting trains

JAX Train Show- Jeff is building a Train Drag Race board. Kids will pick a locomotive and race against each other. **WINNERS** will get Prizes. We also have another scavenger hunt at the Jacksonville meet.

VENICE Train Show- Tim Evert and his crew are building a Train Race board too. We also have another scavenger hunt for the **KIDS CLUB**. They also have special deal for admission for one free adult with a child under 12.

If anybody has other ideas for the kids club contact Harry or Jeff.

A Death in the Family, by Charles Anyan

Steve Harris, a long time TCA and Southern Division member, died in March. We believe he was the longest-serving member on the SD Board of Directors (16 years).

I first met Steve before he was an officer in the Southern Division of TCA. I soon found out that he was very interested in toys, especially toy cars, and toy trains. He sponsored and was Meet Host for many toy and train meets in our home area (St. Petersburg/Clearwater/Bradenton). The more I got to know him, the more I respected him, both his extensive knowledge of toy trains and his sharing of that knowledge with others.

**Steve Harris
1954-2013**

When I was elected President of the SD, Steve served beside me as a BOD member all four years. Although he was occasionally a thorn in my side, I always listened to what he had to say, because I knew that whatever opinion he had, whether I agreed or not, was in the best interest of our division.

He attended every SD meet and every Board of Directors meetings, no matter where they were held, even in the last years when his illness forced him to do so in a wheel chair. He had the love and support from his wife, Linda to help him attend these events. This was his main passion – to attend and be with his friends and toy trains to the end. He attended as many other train shows as he could, including the big Eastern Division train show in York, PA, until his illness would just not allow him to travel that far.

A few years ago Steve received the Tinplate Tycoon Award, the highest award given to any Southern Division member. This award can only be conferred by unanimous approval of the Board of Directors for loyal and unselfish service to the membership and the betterment of the Southern Division. He was the only person to receive this award during my tenure as president. He was later awarded an honorary membership in the Southern Division, an honor conferred on only four members in the history of the Southern Division. It also requires unanimous approval by the BOD, and allows the recipient to never again pay dues or fees to the SD. The funeral service was held immediately after the closing of the train show at the MinnReg Bldg. on Saturday, April 6th. I'm sure if he had a choice he would have preferred to have the funeral at the MinnReg Bldg.

We will miss our friend and loyal TCA and Southern Division supporter. Steve, if you're in heaven I hope it looks a lot like York for you.

Written by Linda Harris:

March 7, 2013, Clearwater, Florida – Steven Lee Harris fought against all odds but ultimately his damaged heart and lungs gave out. He was 59 years old. Born in Riverside CA to Aubrey and Jeanne (Eberle) Harris, Steven and his sister Joanne (Anderson) were raised in various Air Force bases. Their father was born in Hawaii and joined the military during the Pearl Harbor invasion. He was a 29 year veteran of the Air Force. Steven traveled and attended school in CA, HI, AZ, NJ, and back to HI where he graduated high school. Steve always loved sports, basketball, baseball and football, and not just watching, but playing. Wherever he went he was always joining a team. Being in Hawaii it was only natural for Steven to surf and learn to scuba dive. As a typical teen boy he loved music so he picked up a guitar, learned to play, and joined a band. But the draft lottery called and Steven followed in his father's footsteps, joining the Air Force in Hawaii. Steven was sent to Germany for his first tour as a Security Policeman, with his second assignment being Grand Forks, North Dakota protecting the missile silos.

While Steven was away serving his country, his family relocated to Pasco County, Florida. When discharged, he came to Florida and stayed for a visit but decided to go back to North Dakota where he stayed with his friend Ron Quittem, joining him on the police force. During that time, he became a decorated officer, but he missed his family and the cold became too much for him. He moved to Florida where he had various careers, including cab driver, school bus driver, and truck driver for J B Hunt. He eventually retired from Brenntag Chemical Co after 10 years. Since he was a boy, Steven loved cars, trucks, and especially antique toy trains. He joined the TCA in 1988 and served on the Board of Directors as President and Past President for 16 years until January 2013.

Steven is survived by his wife Linda, and his two nephews Kyle and Kristopher Anderson. Steven and Linda met in April 2004 and married in August 2005. A memorial service was held at Largo Community Center on April 6th, 2013. In lieu of flowers, the family encourages donations in Steve's name to Suncoast Hospice Foundation, 5771 Roosevelt Blvd. Clearwater, FL 33760-9962 on line at <http://www.thehospicefoundation.org/>.

TCA Southern Division Board of Directors Meeting, Largo, FL, January 25, 2013

Attendees: Charlie Anyan, President; Michael Powell, Treasurer; Linda Harris, Communication Officer; Steve Harris, Past President; Arnie Travitsky, Past President; Brad Woodward, President elect; Steve Johnson, Vice President elect

The meeting was called to order at 4:30 P.M.

PRESIDENT'S REPORT: LARGO MEET. As of the meeting, 79 tables had been sold. Charlie shared a spreadsheet of table holders and a table layout. There will be 4 operating layouts. Advertising was placed in all free online locations possible, and ads were in the Tampa Bay Times this week. Unfortunately, the Tampa Bay Times did not place information in the Weekend Section even though they confirmed they would. Awards will be given to Tim Evert and Dave Zitnik during the member meeting. Operation Lifesaver will staff a table, the St. Petersburg museum will have an operating layout, the Lego club will have an operating layout, and there will be a kids play area.

STUART MEET: Charlie Anyan reported that Al Galli has the meet well under control. The Hall has been reserved and a contract signed for both rooms.

JACKSONVILLE: Jeff Sawyer will be the meet host, and the hall has been reserved through the Hendricks Day School contact John Neill.

MIAMI: There was no report from the "Three Miami Engineers"

TREASURER'S REPORT: Mike Powell delivered the Fourth Quarter Treasurer's report and the Expense report on the Maitland Meet in November. The Maitland meet made money and the Train Ride was a huge success. Both reports were accepted by the Board.

SECRETARY'S REPORT: As of January 1, there were 451 active members and 1 Honorary Member. Mike Powell will send to the Board a list of members who did not renew their dues for 2013. Brad Woodward plans to send them a letter outlining the benefits of membership and inviting them back into the Division.

COMMITTEE REPORTS: There were no reports from the Awards Committee, the By Laws Committee, the Standards Committee, or the Special Events Committee. The report from the Election Committee was postponed until later in the meeting.

OLD BUSINESS

FACEBOOK – the new Southern Division Facebook page is up and running. Linda Harris plans to send all members with an email address an invitation to the new page.

TCA NATIONAL DONATION: The following motion was passed: Brad Woodward will donate \$500.00 to Bob Mintz, the Treasurer of TCA at the Stuart Meet. Photos will be taken to put in "The Layout" for members to see.

SOUTHERN DIVISION WEB SITE: The following motion was passed: A link to Railserve will be added to the Southern Division web site and the title of the section will be changed to "Toy Train Manufacturers and Hobby Links"

TREASURER'S REPORT: The following motion was passed: The Southern Division Treasurer's Report will be provided to members as a separate page along with "The Layout", but not posted on the Web Site.

WEB SITE MAINTENANCE: Maintenance of the Southern Division Web Site will transition from Jake Jacobs to Linda Harris and Jeff Mayer. This transition will begin immediately and should be completed within 6 months.

SOUTHERN DIVISION ELECTION RESULTS: The following motion was passed: The election results as follows were approved: President – Brad Woodward; Vice President – Steve Johnson; Secretary – Dienzel Dennis; Treasurer – Mike Powell; Communication Officer – Linda Harris. Charlie Anyan and Arnie Travitsky serve on the Board as Past Presidents. Steve Harris retires from the board after 16 years of uninterrupted service to the Southern Division.

President Brad Woodward reviewed a few of his priorities for the next two years: Appointing a Kids Club Committee Chair and increasing the Kids Club activities at SD Meets such as Train Drag Races; Appointing a New Members Coordinator to work on increasing the membership of the Division.

NEW BUSINESS:

Linda Harris reviewed an opportunity to have the Grow Financial Federal Credit Union become a "Sponsor" of the Southern Division. There was interest and the idea was tabled until the next Board meeting so the Directors could review the materials provided by Linda.

Brad Woodward commented that the recent open house at the Children's Museum of the Treasure Coast had over 2800 attendees.

The Board reviewed a proposal made by Tim Evert and Al Michilini plus their sons Michael and Matt respectively along with Al's Wife Laura. There were many exciting ideas presented. The Board set the date for the Venice show as September 7, with Tim Evert as the Host. The Board will investigate the many ideas presented.

Brad Woodward asked if it was possible to ask for donations from Toy Train manufacturers. Linda Harris commented that MTH has a "See it, Hold it, Run it" program where the Southern Division might be able to buy a starter set at cost, run it at a meet, and then raffle it off at the end of the meet. Linda Harris will investigate the possibility of doing this at the Stuart Meet.

The 50th anniversary of the Southern Division will occur in 2016. The Board began discussions of possible activities including a Meet, an anniversary car and a Banquet. The Division will be forming a committee and an article will be written for the next "The Layout" to seek a Committee Chair and volunteers to serve on this committee.

The following motion was passed: "Based on his 16 years of uninterrupted service on the Board of Directors of the Southern Division, Steve Harris is elected an Honorary Member."

The meeting was adjourned at 6:45 P.M. Recorded and Submitted by Michael Powell, Treasurer acting on behalf of Dienzel Dennis, Secretary.

Open House at AA Model Train Repair (and Sales)

Dave Mastrangelo from AA Model Train Repair and Sales was kind enough to hold an open house for Southern Division members at his new train store located at 8340 Ulmerton Road, Suite 222, Largo, FL 33771. Dave had a great selection of toy trains and Southern Division members enjoyed their visit to his new shop. Many thanks to Dave for hosting the open house!

Recycle Your Paper Copies of *The Layout*!

Although Southern Division members can get a PDF copy of *The Layout* emailed to them faster than a traditional paper copy, many members still receive their copy through the mail. Rather than throwing your copy away after you've read it (or in some cases, before you've read it) we've tried to do our part to preserve the environment and came up with several suggestions for additional uses for the official Southern Division newsletter:

Photo Above: Rather than spending money hiring expensive exterminators, your issue of *The Layout* can help you take care of that nasty bug problem.

Photo left: *The Layout* can be used as a nifty cat box liner!

Photo Below: Not only can your issue of *The Layout* be bathroom reading material but it's available for unexpected emergencies too!
